What is fete money?

For families who haven't attended a fete previously, fete money is a prepaid card that allows the children (and adults) to purchase stall items and food without the need to carry a card or cash. Attached via a

lanyard, it's a great way for children to have some financial independence and responsibility in a safe environment.

Fete money can be used at most* stalls and food tents (*excludes external stalls). As items are purchased, the fete money card is 'clipped' for the amount of the purchase. Buy now and your fete money cards will be packaged up with your ride wristbands for collection at the entrance tent on the day of the fete.

IMPORTANT TO NOTE:

THE 2024 SCHOOL FETE IS CASHLESS. EFTPOS AND FETE MONEY ONLY ACCEPTED AT STALLS. CASH WILL ONLY BE ACCEPTED AT ENTRANCE TENT IN EXCHANGE FOR FETE MONEY OR RIDE WRISTBANDS.
